Sponsorship: There are opportunities for sponsorship and advertising. This will help to raise your profile at the show as well as financially offsetting the expenses involved in running the show.

MC: Don Stuart will again man the Microphone.

We will again have an MC on the microphone all day and every breeder who enters the show will get some free advertising about their stud, homestay or Alpaca products.

For those who are able to offer a little more sponsorship, you will receive a lot more publicity

**This years Judge:
Barbara Hetherington**

“This year’s Judge first started breeding alpacas in 2008.

Her herd has since gone on to be highly regarded, winning the highest accolades of National Show Supreme Championship in Fleece and in Halter in 2025 for the second time.

The herd is now in new ownership, but she has a small number of agisted alpacas in Australia.

In 2017 she qualified as a judge and has judged extensively since then. This includes Germany, France, UK, Norway, Italy, Sweden, Austria, Switzerland, Finland, Netherlands, Belgium, Poland, Southern Ireland, Canada and Australia.

She has co-judged the AAA and BAS National Halter Shows as well as the BAS National Fleece Show.

She enjoys teaching and supporting those intending to enter the judge training programme, as well as those just wishing to learn in order to improve their breeding and assessment skills.

She is a big supporter of the show circuit and has been on the National Show Committee since 2013. She also co-founded a number of regional halter and fleece shows and chaired her regional group for many years.

She is a highly skilled judge and makes an enjoyable day for all competitors. Her pet hate is guard hair!”
