General Business:

General conversations had:

1. The Amalgamation with Feilding IA&P was queried, as it was part of general business at last year's AGM. Brad discussed that it was raised again with their President. Feilding IA&P will not entertain any conversation regarding this and it has, again, been denied.
2. Recruitment of new members – how do we go about this? A&Ps in general are finding it difficult to bring new members into the Associations, something to consider moving forward.
3. David brought up the Annual Membership costs and suggested that it be brought in line with the Committee Membership value. This also coincides with the recruitment of new members.

As there was no further General Business, the President Brad Powell thanked everyone for their attendance, invited all to stay for supper, and closed the meeting at 8.05pm.

Signed:  _____ President;

Presidents Report 2022/2023

Good Evening everyone. I would like to welcome you all here tonight to our 2023 AGM. This year has been very busy and successful for the Manawatu A&P. I would like to start by thanking the committee and Lisa for their hard work this year.

It kicked off with a very successful partner event with the National Alpaca Association on back in September, which drew record numbers of Alpacas to the show. The Alpaca board is keen to run another partner event with us and we look forward to working with them on this.

Then it was our show which was nice to have again after a 3 year absence with covid. We had good numbers of entrants in most sections and good number through the gate, which made for a good show. This year we hope with a couple of other activities it will make it an even better show this year.

Next Event was The NZ Dairy Event. Firstly I would like to thank Jamie and his committee for organising and running this event. Once again they have done a very good job and numbers to this event were back to pre covid numbers. This has now stamped itself as the Premier showing event in New Zealand with over 400 cattle coming from all around the country.

There were a few other well run events to add to the list which I also thank those committee members.

The A&P moving forward is in a healthy position financially to weather the next few years and we have some good ideas for this year that I am excited about.

Brad Powell
President.

Financial Report:

Financial Report

The Treasurer's position has been vacant since October, and all financial transactions have been accomplished by the Office Manager, Lisa Edgeworth with authorisations completed by Brad Powell (President) and Ash Hazlett (Executive Member).

The year ending 28 Feb 2023 produced a \$18 486.25 surplus. With being able to hold our Annual Show in November and another successful Dairy Event, this has left us with a positive surplus for the financial year.

Audit Review Report

5 May 2023 - The reviewer, Mary Davis, reported on the annual accounts and found that in her opinion the financial records as displayed in the Financial Statement fairly reflects the financial position of the Manawatu & West Coast A & P Association (Inc) as of 28 February 2023.

Office Manager

Lisa Edgeworth was able to secure grants for the Manawatu Show, the NZDE and purchases of upgraded equipment/assets. This position continues to be an essential role that enables the Association to function efficiently. Oversight and support of the Office Manager is provided by the President and Vice President.

Equipment

Equipment has been depreciated in accordance with current practices. Where there is a zero value of the equipment, these have been written-off but still appear on the asset register. Our thanks once again to David Dench who continues to ensure that the equipment is maintained in good order and ready for hireage or use by the A & P.

Other Income

- Hireage of our equipment
- Horse measuring by John & Maren Wall
- Grants and sponsorships
- Partnership Events

Prepared by Lisa Edgeworth, Office Manager and approved by Brad Powell, President.

**AUDIT REVIEW REPORT
MANAWATU & WEST COAST A & P ASSOCIATION (INC)**

I have performed an audit review on the Financial Statements attached that provide information about the financial performance of the Manawatu & West Coast A & P Association (Inc) for the year ended 28 February 2023 and its financial position as at that date.

I have obtained all the information and explanations I have required and my examination has not disclosed any unrecorded income or expenditure, but in common with other organisations of a similar nature, complete control is not practical and although I have no reason to think that there is any unrecorded income or expenditure, I am not able to confirm this.

In my opinion the financial records as displayed in the Financial Statement fairly reflects the financial position of the Manawatu & West Coast A & P Association (Inc) as at 28 February 2023 and the results of its operations and cash flows for the year ended on that date.

My audit review was completed on 5 May 2023.
