Information for Exhibitors

Rules and Regulations

The rules and Regulations as issued by the Royal Agricultural Society of New Zealand (Inc) for the governance and conduct of A & P Shows have been adopted by the Manawatu & West Coast A & P Association. It is the responsibility of exhibitors to be conversant with these rules. Copies of the Rules and Regulations are available on request.

- **'In-Line Resolution Process' Policy:** This Show supports the RAS 'In-Line Resolution Process' Policy system. An explanation of the rules under This process can be found at Our Rules, Regulations and Policies – Royal Agricultural Society New Zealand (ras.org.nz)
- **The RAS Resolution Process** can be found on the RAS website, as above. The principle behind the process is to deal with the matter as it comes to hand and in most cases it should be dealt with directly by the show. If the matter is in regards to a RAS official, the show may request the assistance of the RAS Head Office as to how to deal with this in an appropriate manner.

- The show would prefer that **dogs** are not brought onto the grounds unless competing in the show. If you do bring a dog it MUST be on a lead and controlled at all times. The car racing circuit and its environs are strictly out of bounds for dogs.
